Arnita, I replied by forwarding the electronic invitation. Region 10 Remedial Program Manager Cami Grandinetti will participate. I'll be with her. I've also invited Marianne Holsman and Anthony Barber, but they were both at a public meeting last night, so I haven't heard from either yet today.--Cindy

Hey Cindy --I am looping back with you to make sure I did not mistakenly erase an e-mail where I thought you gave me a specific name of a staffer who would be on the call. I'm sorry I was moving so fast a minute or 2 ago that I just want to make SURE I did not erase any of your good intel☺!  
Thank youuu!

Wow sorry your folks are all tied up. Issue is we have meetings back to back for the rest of the week so can't change this. My DAA is really concerned because he knows that your RA has invested quite a bit in the Portland Harbor SF site clean-up so Mark definitely wants to see significant regional presence on the call. Sooo soorry about the time and frankly, we got this request sort of last minute so had to squeeze these people in where we can. Anyway, I know you will work your usual magic and pull at least ONE Superfund clean-up staff person onto this call- even if that person has to leave a little early☺!

Thank youuuuu!
